**Support Greyhound Friends with
Any of Your Transactions on eBay Anytime,
But Especially During the Week of September 13th!**

Do you use eBay? Did you know you can help Greyhound Friends when you buy and sell?
Here's how:

Sell your unwanted items on eBay and donate 10-100% of the final sale price to Greyhound Friends. You'll get a tax deduction and a credit on your basic eBay selling fees and we will get a donation.

Buy items listed on eBay to benefit Greyhound Friends. You'll get a great deal on whatever you're looking for, and Greyhound Friends will get funds from your purchase.

Give at checkout, too. When you shop on eBay you may see us featured in checkout (particularly during the week of September 13th when we will be one of four non-profits featured) when you pay with PayPal. If you do, donate \$1 to help our cause.
